Dear Margaret: I am ashamed
 to think I have not answered
 your good Xmas letter and
 the little remembrance you
 sent. We are worked pretty
 hard with our church work,
 well I am so tired when I get a
 minutes time, I will try and
 write a long letter very soon
 and tell all we know.
 It is pretty cold here today and
 getting colder. We have been
 attending Mr. Riddells lectures
 every night this week. They are
 fine. Lots of love to all.
